Education

National High School Diploma; Birjand High School for Gifted Students, 1990
M.D.; Mashad University of Medical Sciences, 1990 - 1997
Otorhinolaryngology-Head & Neck Surgery Specialty; Mashad University of Medical Sciences, 1999 - 2003
Fellowship of Rhinology; Tehran University of Medical Sciences, Feb 2008- Mar 2009

Postdoctoral Training

Resident, Otorhinolaryngology, Qaem Educational Hospital, Mashhad University of Medical Sciences, 2000-2004.

Fellowship of Rhinology; Amir Aalam Educational Hospital, Tehran University of Medical Sciences, Feb 2008- Mar 2009.

Short Observational Course on Rhinology: Otorhinolaryngology-Head & Neck Surgery Department, Stanford University, CA, USA, Oct 2009.

Short Observational Course on Facial Plastic: Facial plastic Department, Ohio University, Zeeba Center, Ohio, USA, May 2011.

Short Observational Course on Base of Skull Surgery: Otorhinolaryngology-Head & Neck Surgery Department, John Hopkins University, John Hopkins Hospital, Marryland, USA, Apr 2011.

Short Observational Course on Rhinology: Otorhinolaryngology-Head & Neck Surgery Department, Harvard University of Medical Sciences, Eye and Ear infirmary Hospital, MA, USA, Sep-Oct 2012.

Short Observational Course on Sleep Disorders: Otorhinolaryngology-Head & Neck Surgery Department, Sleep Disorder Clinic, Stanford University, CA, USA, Sep-Oct 2014.

Short Observational Course on Base of Skull Surgery: Otorhinolaryngology-Head & Neck Surgery Department, Mayo Clinic, Arizona, USA, 24-29 March 2016.

Academic and Administrative Appointments

1. 2020-۲۰۲۳, Head of Otorhinolaryngology-Head & Neck Surgery Department of Emmam Reza Educational Hospital, Mashhad University of Medical Sciences, Mashhad, Iran.
2. 2020-Present, Vice president of Education of Otorhinolaryngology-Head & Neck Surgery Department, Mashhad University of Medical Sciences, Mashhad, Iran.
3. 2008- 2019, Management of Sinus Endoscopy Research Center of Mashhad University of Medical Sciences.

4. 2019- Present, Head of Sinus Endoscopy Research Center of Mashhad University of Medical Sciences
5. 2015- Present, Member of Examination board committee of Otorhinolaryngology-Head & Neck Surgery Department, Mashhad University of Medical Sciences, Mashhad, Iran.
6. 2015- Present, Member of Research committee of Otorhinolaryngology-Head & Neck Surgery Department, Mashhad University of Medical Sciences, Mashhad, Iran.
7. 2015- Present, Member of Educational committee of Otorhinolaryngology-Head & Neck Surgery Department, Mashhad University of Medical Sciences, Mashhad, Iran.
8. 2015- Present, Educational director of ENT residency program, Mashhad University of Medical Sciences, Mashhad, Iran.
9. 2012-2015 (Jan), Educational director of Otorhinolaryngology-Head & Neck Surgery Department, Mashhad University of Medical Sciences, Mashhad, Iran.
10. 2010-2015, Member of research committee of Medicine Faculty of MUMS.
11. 2009-2011(Jan), Head of research committee of Otorhinolaryngology-Head & Neck Surgery Department of MUMS.
12. 2009-2015, Head of education committee of Otorhinolaryngology-Head & Neck Surgery Department of MUMS.
13. 2007 – Present, Director of Ear, nose, throat- head & neck surgery research center of MUMS.
14. 2006- 2014(Nov), Member of hospital mortality committee of Imam Reza Hospital of MUMS.
15. 2005- 2011, Head of Pediatric Otorhinolaryngology-Head & Neck Surgery Department, Shaykh Hospital, Mashhad University of Medical Sciences.
16. 2004 – 2012, Assistant Professor of Otolaryngology - Head and Neck Surgery, Mashhad University of Medical Sciences.
17. 2012 – Present, Associate Professor of Otolaryngology - Head and Neck Surgery, Mashhad University of Medical Sciences.
18. 2015– Present, Director of residency trainee of Otolaryngology - Head and Neck Surgery, Mashhad University of Medical Sciences.
19. 2004 - 2006, Member of clinical research committee of MUMS.
20. 2003 – 2004, Chief Educational Resident, Otorhinolaryngology Department, MUMS.
21. 1998 – 2000, Head, Center for Disease Control, Qaen, MUMS.

Membership

1. Iranian National Medical Council, since1997.
2. Research Center for Ear, Nose and Throat of MUMS, since 2003.
3. Iranian Otorhinolaryngology society, since 2004.
4. Editorial Board, Iranian Otorhinolaryngology Journal, the First Iranian Journal on Otorhinolaryngology, since 2004.
5. Clinical Committee for review of proposal in Mashhad University of Medical Sciences from Apr 2005 to Sep 2007.
6. European Allergology and Clinical Immunology since 2006 till 2012.
7. Research Center for Otolaryngology-Head & Neck Surgery of Mashhad University of Medical Sciences, since Nov 2007
8. American Academy of Otolaryngology-Head & Neck surgery, since Oct 2009.
9. EDC of MUMS, since May 2011 till 2015.
10. Clinical excellence of MUMS, since Jul 2011 till 2015.
11. Khorasan Rhinology society since Apr 2015.
12. Khorasan otorhinolaryngology-Head & Neck surgery society since Apr 2015.
13.

Teaching Experiences

1. Educational Rounds for Residents, Interns and Medical Students, Every Other Day, 2004 – Present.
2. Various Educational Classes on all ENT topics for Medical Students and Interns, 2000 – Present.
3. Workshop of Control of Diarrheal Diseases for Health Centers' Physicians, July 1999.
4. Workshop of AIDS Prevention & Control for Health Centers' Physicians, July 1998.
5. Workshop of DOTS protocol for Tuberculosis Control for Health Centers' Physicians, January 1998.
6. Workshop of Breastfeeding Promotion for Health Centers' Physicians, October 1997.

Licensures/Certifications

1. National Practice Licensure, 1997
2. National Board Certification of Otorhinolaryngology, 2004
3. National Fellowship License, 2009

Proposals

code	Title	Tesis
4031215	Investigating the effect of diluted hydrogen peroxide and acetic acid on the growth of fungal agents in fungal rhinosinusitis in vitro	
4031455	Development and implementation of registration system for patients with Malignat Otitis Externa in Khorasan Razavi	No
4030718	Evaluation of olfactory status in COVID-19 patients treated to Coldamaris nasal spray ,momethasone ،versus sodium chloride intranasal spray	No
4022131	A Study on the association between Allergic Rhinitis and Epistaxis in Children aged 5-15	Yes
4022644	Designing and making the initial set-up of the bacteria detection device based on non-intrinsic luminescence	No
4020663	Comparison of Serum Vitamin D level in Patients with Malignant Otitis Externa and Diabetic Patients	Yes
4020063	Examining the serum level of vitamin D in patients with mucormycosis and comparing it with the control group	Yes
4010117	Processing, Decellularization, and Optimization of Cadaveric Facia-Lata for Ear-Nose-Throat Surgical Applications	No
4010036	Clinical presentation, para-clinical findings, and outcome in patients diagnosed with Mucormycosis admitted to Imam Reza and Ghaem Hospitals, Mashhhad University of Medical Sciences in the years 2018 to 2023	Yes
4001291	The assessment of clinical manifestation and glucocorticoid use in hospitalized COVID-19-associated mucormycosis in Ghaem and Emam-Reza hospitals compared to control group	Yes

4000956	Evaluation of clinical findings and corticosteroids usage in patients with mucormycosis infection associated Covid-19 hospitalized in Ghaem and Imam Reza hospitals from July 2021 to January 2022	No
4000884	Identification and determination of antifungal susceptibility pattern of Mucor and Aspergillus isolated from patients with Covid 19	Yes
4000213	Development and implementation of registration system for patients with acute invasive fungal infection in Iran	No
990194	Effect of inhaled corticosteroids on anosmia in patients with COVID-19	Yes
990176	Investigation of the prevalence of olfactory disorders (anosmia, paroxysm and hypoxemia) in patients with COVID-19 in Ghaem (AS) and Imam Reza (AS) hospitals in Mashhad	No
981849	Study prevalence of symptoms of upper respiratory system in COVID -19 patients in Ghaem and Imam Reza Hospital in Mashhad	Yes
971463	The study of the effect of rhinoplasty on the acoustic characteristics of resonance and sound production	Yes
971410	Study of vitamin D level in patients minier compared with normal people	Yes
961793	The Efficacy Of Vit.D InTreatment Allergic Rhinitis	No
960506	The effect of vitamin D in the treatment of sinunasal polyposis	No
950138	comparison of vitamin D3 level in patient with chronic rhinisinonitis and control group	Yes
950092	The prevalence of lophomonas blattrum in nasal smear of patients with allergic rhinitis and comaring with control group in emamreza hospital in 1394-1395	No
940150	Effects of spirulina on allergic rhinitis The	Yes
940070	The comparison frequency and risk factor of acne after rhinoplasty and septoplasty in patients referred to emam reza and ghaem hospital in 1394-96 years	Yes
931673	Elucidation of sinusitis based on Traditional Persian	Yes

	Medicine (TPM) and comparison of the TPM therapeutic protocol efficacy on chronic sinusitis with classic treatment: Mixed Methods	
931560	The potential effects of rhinoplasty on voice in profissional voice users	Yes
921106	investigation of the distance between anterior commisure of true vocal cords and the first ring of trachea in cadaver disection	No
911327	Molecular Identification of fungal infection in sinonasal area in patients refer to ENT department in Ghaem and Emam Reza hospitals	No
910785	Prevalence of psychiatric symptoms among children with ear and nose foreign body in emam reza and ghaem hospital	Yes
910557	Effect of Extract of Urtica dioica on prennial Allergic Rhinitis	Yes
910132	Studying the effect of standardized honey on mucosal healing of the nose and paranasal sinuses after polypectomy	Yes
901017	ralution ship of naso pharynyeul bacterial colonization and type of infancy feed in children unde age of 6 year in mashad city	Yes
900874	primary dental caries and allergic rhinitis association in children(5-7 year (	No
900192	Investigation of the distance between anterior commisure of true vocal cords and the first ring of trachea in patients who underwent the surgery in ghaem and emam reza hospital	Yes
89836	Evaluation of correlation between Audiovestibular Involvement and HTLV1 infection	Yes
89831	The study of prevalence of allergy in chronic rhinosinusitis	Yes
89802	Effect of simple suture technique on the approximation of the alveolar ridge in children with uni lateral or bi lateral wide cleft lip&palate	Yes
89786	Evaluation of frequency of Ear Disorders among Turner's Syndrome	Yes
89771	The comparative study on Electrical stapedius Reflex	No

	Threshold (ESRT) in two different situation (before and after removal of stylet) during the cochlear implantation surgery	
89003	The relationship between middle ear function and sinonasal polyposis	Yes
87503	Commissioning and optimization of the ear, nose and throat Research Center to provide better services to researchers	No
87475	Evaluation of Peritonsillar injection of Bupivacaine and Epinephrine on postonsillectomy pain and hemorrhage	Yes
87454	"Additive Efficacy Of Silymarin In Treatment Of Prennial Allergic Rhinitis"	Yes
86377	The prevalence study of allergic rhinitis in patients with chronic otitis media	No
85473	Comparative study of hearing by OAE test in preeclampsia -eclampsia mothers and healthy mothers	No
85468	Coparitive study of hearing by OAE test in newborn of preeclampsia - eclampcia mothers and healthy mothers	No
85360	The study of IFN Alpha effect of on hearing	No
85315	flow pattern and vascular resistance index as predictors of malignancy risk in thyroid nodules	No
85127	Serum and sinonasal mucus study for fungal specific IgE antibody in allergic fungal sinusitis	No
85066	Nasopharyngeal carriage and drug resistance pattern in isolated of H.influnza in children less than 6 years of age in Mashhad	No
84435	a clinical evaluation of ophthalmic distrubance in children with sensorineural hearing loss	No
84159	nasopharyngeal carriage and drug resistance pattern in isolated of moraxella catarrhalis in children under 6 years of age in mashhad	No
84158	Nasopharyngeal carriaje and Drug resistance pattern in isolated of streptococcus pneumoniae in children under 6	No

	years of age in Mashhad	
84128	audiovestibular evaluation in paitents with multiple sclerosis	No
84019	Assemssment of Gabapentin effect in the treament of tinnitus.	No
950507	The Relationship of Vitamin D3 with mucosal histopathological findings in chronic rhinosinusitis	Yes
950209	the effect of usage of nasal spray fluticasone on related signs and symptoms and total serum IgE in patients with allergic sinonasal polyposis	Yes
922664	Evaluation of vital signs in otolaryngologist residents in Imam Reza hospital during surgery	Yes
922140	Evaluating Site of Upper Airway Obstruction in Patients with Obstructive Sleep Apnea via Drug Induced Sleep Endoscopy	Yes
920673	The value of B-mode sonography in differentiation of malignant and benign tumors of the parotid gland	Yes
920615	Evaluation of fungal biofilms prevalence rate in patients with nasal polyposis by mycological and PCR methods	Yes
911214	Comparison between Nitroglycerin and Labetalol on bleeding during nasal surgery	No
910801	Efficacy Of Extract zataria multiflora on clinical sign and Th1 /Th2 balance in Prennial Allergic Rhinitis	Yes
910659	Efficacy of premedication with Ketamin for posttonsillectomy pain relief and sedation in childeren between 5 to 12 year's old	Yes
910097	Effect of pharyngeal gause packs during septorhinoplasty surgery on post operative sore throat and nausea and vomiting	No
900770	The effect of autologus platelet rich plasma (PRP) and PRP along with peripheral blood cells in treatment of radiation induced xerostomia in head and neck cancers	Yes
900518	A Study on fungal infection in patients suffering from asthma and allergic rhinitis and Sleeping environment of the	No

	Patients	
900167	The evaluation of autologus fibrin glue contain platlete-rich plasma(PRP) on wound healing and post tonsillectomy complications	Yes
89637	A comparative study of auditory never stimulation threshold by perimodiolar electrodes before and after extraction of stylet during cochlear implant surgery	No
89071	The effect of five type fixative and tissue extraction on The purity,content and amplifying ability of DNA from lymphoid tissue	Yes
87824	The effects of rhinoplasty on voice	Yes
86439	Evaluation of Delayed toxic effects of sulfur mustard on upper and lower respiratory tracts in Iranian veterans	Yes
86308	Evaluation of the effect of septorhinoplasty on the vitality of the anterior maxillary teeth.	No
86192	Assessment of results of bilateral submandibular ducts relocation In patients with cerebral palsy and drooling	No
85120	Evaluation of NKT cells role in Allergic rhinititis and the effect of allergens on iNKT cells stimulation	No
82053	Antral lavage cultures & antibiogram of aerobic & anaerobic microrganism nof the FESS candidates in Gaem hospital during one year period	No
82029	Hearing Acuity in Behcet's Disease	No

Workshops/Seminars

1. Research Methodology, MUMS, 1993, 1996, 2001.
2. Medical Information Resources, MUMS, 1995.
3. Publishing Medical Articles, MUMS, 1996.
4. Internet (Primary & Advanced), MUMS, 1996, 1998.
5. Educational Workshop of Malaria, Tuberculosis, Lepr and Eltor, Ministry of Health and Medical Education, May 1997.
6. Transmittable Animal Diseases, Ministry of Health and Medical Education, July 1997.
7. Breastfeeding Promotion, Ministry of Health and Medical Education, August 1997.
8. DOTS protocol for Tuberculosis Control, Ministry of Health and Medical Education, December 1997.
9. Sexual Transmitted Diseases, Ministry of Health and Medical Education, May 1998.

10. Control of Diarrheal Diseases (National Workshop), Ministry of Health and Medical Education, May 1998.
11. Control of Diarrheal Diseases (Regional Workshop), Ministry of Health and Medical Education, June 1999.
12. Workshop of Advance research (Scientific Writing), Tehran University of Medical Sciences, Tehran, Iran 2005.
13. The major inflammatory patterns of sinonasal diseases in 200 candidates of functional endoscopic sinus surgery. Poster presentation at the 9th international Otorhinolaryngology-Head & Neck Surgery, Tehran, Iran, 9-13 November 2005.
14. Hearing in Behcet's Syndrome. Oral presentation at the 9th international Otorhinolaryngology-Head & Neck Surgery, Tehran, Iran, 9-13 November 2005.
15. Workshop of Preliminary research, Mashad University of Medical Sciences, Mashad, Iran; 2006.
16. Experience vs. Technique for qualified repair in cleft lip educational program. Oral presentation at the 9th International Symposium of Facial Plastic and Reconstructive Surgery, May 1-4, 2006 at the Las Vegas, USA.
17. Speech Intelligibility Development in the Pediatric Cochlear Implant. Poster presentation at the 2006 NHS Conference, May 31- Jun 3, 2006, Milan, Italy.
18. Auditory Perception in Children with Cochlear Implant. Poster presentation at the 2006 NHS Conference, May 31- Jun 3, 2006, Milan, Italy.
19. Prevalence of Penicillin Resistance among Streptococcus Pneumonia Isolated in Northeast of Iran. Poster presentation at 12th International Congress on Infectious Diseases, Jun 15-18, 2006, Lisbon, Portugal.
20. The nasal smear for eosinophils, its value, and relation to nasal mucus eosinophilia in allergic rhinitis. Poster presentation at the EAACI Ga2len Allergy School 2006, Hannover, Germany, 29 September-2 October 2006.
21. The first International Rhinology Congress of Iran, Tehran; 7-10 Nov 2006.
22. Ophthalmic Disturbances in Children with Sensorineural Hearing Loss. Poster presentation at the 3rd Festival of Sarvar Childern Foundation, Mashad, Iran, 31 October -1 November 2007.
23. Hearing Impairment in Pregnancy Toxemia. Poster presentation at the 10th international Otorhinolaryngology-Head & Neck Surgery, Tehran, Iran, 13-16 November 2007.
24. Gabapentin effectiveness on the sensation of subjective idiopathic tinnitus. Oral presentation at the 10th international Otorhinolaryngology-Head & Neck Surgery, Tehran, Iran, 13-16 November 2007.
25. Allergic rhinitis as a predisposing factor for chronic suppurative otitis media. Poster presentation at XXVII Congress of the European Academy of Allergology and Clinical Immunology, Barcelona, Spain, 7-11 June 2008. Clinical Feature of Allergy: from Pediatric to Geriatric.
26. Vascular pattern and spectral parameters of power Doppler ultrasound as predictors of malignancy risk in thyroid nodules. Oral presentation at the 11th international Otorhinolaryngology-Head & Neck Surgery, Tehran, Iran, 22-25 October 2008.
27. SPSS workshop, Nov 2008, Tehran, Iran.
28. Lecture on Halitosis; continuous education program. 14-16 Jan 2009, Tehran, Iran.
29. Mastoid bone as a new graft material in rhinoplasty. Oral presentation in Rhinology World 2009, 15-19 Apr, 2009, Philadelphia, USA.
30. Pulp necrosis and septorhinoplasty. Oral presentation in Rhinology World 2009, 15-19 Apr, 2009, Philadelphia, USA.
31. An effective technique for endoscopic resection of high stage angiofibroma. Video presentation in Rhinology World 2009, 15-19 Apr, 2009, Philadelphia, USA.
32. Cleft lip & cleft palate workshop, 30 Apr 1 May 2009, Mashad, Iran.

33. A new approach for alar rim excision in thick skin during open rhinoplasty. Oral presentation in third symposium of Rhinology update; 5-7 Aug 2009, Tehran, Iran.
34. 2009 Facial Plastic course. Stanford university school of medicine, Oct 16-17, 2009; Stanford, USA.
35. Short course observation of Rhinology in Stanford Sinus Center, Otolaryngology-Head & Neck Surgery Dept. , Stanford University, California, USA; 11-26 Oct 2009.
36. The first endoscopic sinus surgery workshop of Mashad University of Medical Sciences, Iran; 21-22 Jan 2010.
37. Ear, nose and throat problems in Turner's syndrome. Oral lecture. 29 July 2010, Mashad University of Medical Sciences, Mashad, Iran.
38. Allergic Sinusitis. Oral lecture; 27-29 Oct 2010, International Asthma, Allergy and Immunology congress, Mashad University of Medical Sciences, Mashad, Iran.
39. Causes of headache in patients with primary diagnosis of sinus headache. Oral presentation, the 12th international congress of Iranian society of otolaryngology-head and neck surgery; 1-5 Nov 2010, Tehran, Iran.
40. The study on nasopharyngeal bacterial colonization with St. Pneumonia, H. Influenza and M. Catarrhalis among children with smoker parents. Poster presentation, the 4th Sarvar children's Festival; 10-11 Nov. 2010, Mashad, Iran.
41. Proboscis lateralis, a case report. Poster presentation, the 4th Sarvar children's Festival; 10-11 Nov. 2010, Mashad, Iran.
42. Live Surgery: Orbital decompression. Second nasal endoscopy and rhinoplasty seminar. 23-24 Feb 2011, Mashhad, Iran.
43. The effect of peri-modiolar cochlear implant positioning on evoked stapedial reflex threshold. Oral Presentation. 10th European symposium on cochlear implantation, 12-15 May 2011, Athens, Greece.
44. The Effect of opium dependency on the risk of laryngeal carcinoma. Oral presentation. 11th international Iranian congress of Toxicology, 12-15 Sep 2011, Mashhad, Iran.
45. Serum and sinonasal mucus study for fungal specific IgE antibody in allergic fungal sinusitis. Poster presentation, ASOHNS 2012 ASM; 31 Mar- 3 Apr, 2012. Adelaide, Australia.
46. The effect of peritonsillar infiltration of bupivacaine and epinephrine on post-tonsillectomy pain and Hemorrhage. Poster presentation, AAO-HNSF 2012- Annual Meeting & OTO EXPO, 12-15 Sep, 2012, Washington DC, USA.
47. INF a and ototoxicity. Oral presentation, AAO-HNSF 2012- Annual Meeting & OTO EXPO, 12-15 Sep, 2012, Washington DC, USA.
48. The prevalence of allergy in chronic rhinosinusitis. Poster presentation, The second international congress of Immunology, Asthma and Allergy, 19-21 Feb 2013, Tehran, Iran.
49. The anterior base of skull trauma. Panel discussion, the second international khorasan surgeon society congress on trauma, 7-9 November, 2013, Mashhad, Iran.
50. Is HTLV-1 Infection Associated with Hearing Loss? 1st Global Otology Research Meeting & the 29th Politzer Society meeting, 14-17 November 2013, Antalya, Turkey.
51. Is sudden Hearing Loss associated with increased risk of Arthrosclerosis? 1st Global Otology Research Meeting & the 29th Politzer Society meeting, 14-17 November 2013, Antalya, Turkey.
52. The smell decline as a good predictor of sinonasal polyposis recurrence after endoscopic surgery. Oral presentation, AAO-HNSF 2014- Annual Meeting & OTO EXPO, 21-24 Sep, 2014, Orlando, Fl, USA.

53. Middle ear function in sinonasal polyposis: A case-control study. Oral presentation, AAO-HNSF 2014- Annual Meeting & OTO EXPO, 21-24 Sep, 2014, Orlando, Fl, USA.
54. Acute invasive fungal rhinosinusitis: Our experience on 18 cases. Poster presentation, American Rhinologic Society Annual Meeting, 25-26 Sep, 2015, Dallas, Texas, USA.
55. Supportive therapy of allergic rhinitis by stinging nettle (Urtica dioica): Clinical randomized trial. Poster presentation, American Rhinologic Society Annual Meeting, 25-26 Sep, 2015, Dallas, Texas, USA.
56. Dental carries and Allergic Rhinitis in Preschool Children. Poster presentation, American Rhinologic Society Annual Meeting, 25-26 Sep, 2015, Dallas, Texas, USA.
57. Efficacy of supportive therapy of allergic rhinitis by Stinging Nettle (Urtica Dioica): a randomized, double-blind placebo-controlled clinical trial. The first symposium of food and drug allergy and third international congress of immunology, asthma and allergy. 3-6 May 2016, Mashhad, Iran.
58. Asthma in rhinosinusitis: A survey from Iran. The first symposium of food and drug allergy and third international congress of immunology, asthma and allergy. 3-6 May 2016, Mashhad, Iran
59. Psychological Problems in Children with Ear and Nose Foreign Body Insertion. Poster presentation, American Rhinologic Society 62th Annual Meeting, 16-17 Sep, 2016, San Diego, CA, USA
60. Allergic rhinitis and Lophomonas Blattarum. The 15th international congress of Iranian society of otolaryngology head and neck surgery, 8-11 Nov, 2016, Tehran, Iran.
61. Invasive Fungal Sinusitis. A panel discussion. The 15th international congress of Iranian society of otolaryngology head and neck surgery, 8-11 Nov, 2016, Tehran, Iran.
62. Molecular identification of fungal infection in Acute Invasive Fungal Rhinosinusitis in patients refer to ENT department in Ghaem and Emam Reza hospitals, Mashhad, Iran 1st IFRC International Conference on Clinical Mycology: Aspergillus and Aspergillosis November 8-10, 2016
63. Detection and Identification of fungi from rhinosinusitis by Molecular Techniques.8 th Advances Against Aspergillosis.2018
64. Tip rotation techniques. 7th International Rhinology & Facial Plastic Surgery Congress. November 27-30 2019.
65. Endoscopic sinus and skull base surgery. 7th International Rhinology & Facial Plastic Surgery Congress. November 27-30 2019.
66. 175518 Latest news on the diagnosis and treatment of nose and sinus diseases 2022-02-11 -One-day scientific conference
67. Updates on nose and sinus surgeries .Presentation of new rhinoplasty surgery simultaneously with endoscopic sinus surgery .Congress 2023 Shiraz Iran.
68. Updates on the biological treatment of asthma and allergi.Shiraz Iran. 22 - 6 – 2023
69. Application of Machine Learning to Develop a mucorcycosis Mortality Prediction Model. 1st International congress of artificial. Kish. Iran. 17-19/05/2023

70. Challenges in treatment of mucormycosis. international congress of iranian society of otolaryngology.25 -27/10/2023

71. A patient with refractory rhinosinusitis, serous otitis media and primary immunodeficiency Panel .The second national seminar on treatment-resistant rhinosinusitis. Terhran . Iran .۰۱/۰۲/۲۰۲٤

72. Application of Machine Learning to Develop a mucorcycosis Mortality Prediction Model.1st International congress of artificial 27/02/1402

73. FESS and Rhinoplasty. 8 Ternational Congress of Iranian Rhinology Society.20-22 November 2024

Speech at scientific conferences

203146 National Congress of Otolaryngology 08/03/2002 Conference and Congress

209372 Treatment-resistant rhinosinusitis 11/12/2002 One-day scientific conference

213426 Diseases of the ENT_Laryngology 03/17/2003 Periodic scientific conference

214552 Facial plastic surgery 04/14/2003 Seminar

218916 Familiarity with the legal and regulatory laws of the medical system in the field of ENT 05/25/2003 One-day scientific conference

180452 Principles of Diagnosis and Treatment of Obstructive Sleep Apnea 2022-05-19 One-day Scientific Conference

184931 Nasal and Sinus Masses 2022-10-20 One-day Scientific Conference

189521 Rhinoplasty in Severely Deviated Noses 2023-01-19 One-day Scientific Conference

194665 Asthma and Challenges (On the Occasion of World Asthma Day) 2023-04-27 One-day Scientific Conference

195053 Sleep Disorders 2023-05-18 One-day Scientific Conference

197425 Tipplasty and Rhinoplasty 2023-06-15 One-day Scientific Conference

197802 Latest News in Nasal and Sinus Surgeries 2023-06-22 One-day Scientific Conference

199983 Ear, Nose and Throat Diseases_Nasal Congestion 2023-10-12 Periodic Scientific Conference

200039 Mortality Report Sessions of the Otolaryngology Department of Imam Reza Hospital (AS) 2023-08-24 Continuous Clinical Education

200040 Mortality Report Sessions of the Otolaryngology Department of Imam Reza Hospital (AS) 2023-09-28Continuous Clinical Education

200042 Mortality Report Sessions of the Otolaryngology Department of Imam Reza Hospital (AS) 2023-11-23 Continuing Clinical Education

200043 Mortality Report Sessions of the Otolaryngology Training Department of Imam Reza Hospital (AS) 2023-12-28 Continuing Clinical Education

49328 10th Basic and Advanced Training Workshop on Live Endoscopic Surgery of the Nose and Sinus (Live Surgery) 2023-12-28 Workshop

200044 Mortality Report Sessions of the Otolaryngology Department of Imam Reza Hospital (AS) 2024-02-22 Continuing Clinical Education

220428 News on chronic rhinosinusitis and updating the EPOS clinical guideline (Article of the European Society of Rhinosinusitis and Nasal Polyps) ١٠/١٠/٢٠٢٤ One-day scientific
conference

213140 Otolaryngology Diseases Approach to Hearing Loss 2024-05-09 Periodic Scientific Conference

213430 Otolaryngology Diseases Otolaryngology Diseases 2024-10-10 Periodic Scientific Conference

213432 Otolaryngology Diseases Hearing Disorders 2024-11-29 Periodic Scientific Conference

213433 Ear, nose and throat diseases _Parotid mass 202٤-01-09 Periodic scientific Conference

213434 Ear, nose and throat diseases _Thyroid mass 202٤-01-30 Periodic scientific Conference

213440 Complications of ear, nose and throat surgeries _ 2024-10-24 Periodic scientific Conference

213441 Complications of ear, nose and throat surgeries _ 2024-11-21 Periodic scientific Conference

213442 Complications of ear, nose and throat surgeries _ 2024-12-26 Periodic scientific Conference

218916 Familiarity with the legal and regulatory laws of the medical system in the field of ENT 15-8–2024 One-day scientific conference

219627 Clinical Microbiology Professor Alborzi and Prevention Strategies for Infections Associated with Patient Care 2024-11-05 Conference and Congress

221116 The Eighth Congress of the Rhinology Society 2024-11-20 Conference and Congress

213443 Complications of ear, nose and throat surgeries _Bleeding after nose surgery

2025-01-23 Periodic Scientific Conference

229753 The role of oncogenic viruses in ear, nose and throat diseases and their Consequences 13 - 2 - 2025 Periodic scientific conference

Research Festivals

1. Obtaining the top rank in the annual festival of prominent researchers of Mashhad University of Medical Sciences 2024
2. Obtaining the top rank in the annual festival of outstanding researcher of Mashhad University of Medical Sciences 2016
3. Obtaining the top rank in the annual festival of prominent researchers of Mashhad University of Medical Sciences in 2014
4. Obtaining the top rank in the annual festival of outstanding researchers of Mashhad University of Medical Sciences in 2012

Books:

1. Antibiotic therapy in Head & Neck diseases. In press by Barsava Pub. 2004, Mashhad, Iran.
2. Management of children's outpatient diseases. Published by Barsava Pub., 1998. Mashhad, Iran.
3. Rhinoplasty, A book for everyone. Scientific Editor. 2008.

Awards & Honors

1. First Ranked, National Iranian Otorhinolaryngology Board Exam, 2004.
2. Special Research Prize of Vice Presidency for Research, MUMS, 2004.
3. Top Resident among All Iranian Otorhinolaryngology Residents, 2002, 2004.
4. Top Resident of MUMS, 2001, 2002, 2003, 2004.
5. The best poster for "Ophthalmic disturbances in children with sensorineural hearing loss" at the 3rd Festival of Sarvar Children Foundation, Mashad, Iran, 31 October -1 November 2007.
6. First Ranked researcher of the Mashhad University of Medical Sciences, 2007.
7. Third ranked researcher of surgical sciences of Mashhad University of Medical Sciences, 2012
8. First Ranked researcher of the otorhinolaryngology of Mashhad University of Medical Sciences, 2014.
9. First Ranked researcher of the otorhinolaryngology of Mashhad University of Medical Sciences, 2016.

Experiences

1. Head & Neck surgery in Omid Teaching Oncology Hospital, Mashhad, 2000 –2002.
2. Head & Neck surgery in Imam Reza Educational Hospital, Mashhad, 2000 –Present.
3. Head & Neck surgery in Ghaem Educational Hospital, Mashhad, 2008 –Present.
4. Lecture on Allergic Fungal Sinusitis, Bu-Ali Research Institute, February 2005. (http://www.mums.ac.ir/bari)
5. Working as assistant of Dr. N. Mokhtari, who received US Otorhinolaryngology Board in 1977, 2000 – 2004.
6. Head, Center for Disease Control, Qaen City, 1998 – 2000.
7. Head & Neck Trauma Management in Emdad Educational Hospital, Mashhad, 2000 – 2004.

Interests/Hobbies

Biotechnology (Cellular Surgery), Plastic surgery on face & neck, Functional Endoscopic Sinus Surgery, Allergy.
Computer (MSWord, MS PowerPoint), Communication and networking, Sports (Swimming, Tennis), Nature.
